NOTES:

1. Winter storage rates will apply until April 15th.

2. Catawba Moorings guarantees winterizations only if Catawba Moorings re-commissions items.

3. Catawba Moorings will not be held responsible for heads that are not pumped out. CMI will not pump out heads during Haul Out. The last day for pump outs at our Gas Dock is October 31st.

4. Hand scrubbing unpainted bottoms will be done thru October 15th only. If hauled out after Oct. 15th, bottom will be pressured scrubbed only.

5. Catawba Moorings will have a charge to flush and fill water system in the Spring.

6. Drain and upgrade closed cooling to -34° $170.00 minimum per engine.

7. Inside Heated Storage includes haul out in the Fall, launch in the Spring, fogging for gas engines and draining of water system. It does not include bottom scrubbing or shoring.

8. There is an additional charge of $200.00 for boats on trailers being stored in the Inside Cold and/or Heated Storage.

9. Calculations are made rounding up to the next foot.

10. We reserve the right to remove canvas and anchors to store boats in the inside cold and inside heated buildings. For boats in buildings, tarps cannot be installed until Nov. 15th and must be removed by April 1st.

11. If we need to remove bikes, chairs, dinghies, etc., there will be a labor rate of $170.00 per hour.

12. "For Sale" signs are prohibited on all boats other than Catawba Moorings Brokerage Boats.

13. Outside contractors must be approved by management and will be subject to 15% surcharge.

14. All boats, on our grounds, inside or outside, cannot be plugged into electric if unattended or overnight.
